

what? more early release days?

each class
features
brand-spankin'
new projects
and lessons
!

we have guilt free solutions for busy parents!

Check out these special "drop-off" Early Release Programs* at The Children's Museum in Easton. Each day will feature a different activity and are happening on:

wednesday
11/19
music

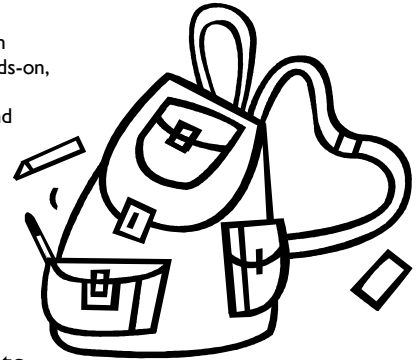

The Sounds of Science
An interactive musical workshop! Make music, have fun, experience the science of sounds with instruments, voices & more!

thursday
11/20
art

Art Studio
Get your creative juices flowing as you make one-of-a-kind pieces of artwork that would certainly rival any Master.

friday
11/21
science

The Lab
Step into *The Lab* for an afternoon of 100% hands-on, jam-packed, fun-filled scientific discoveries and experiments.

Each half day program includes:

- Lunch of pizza and beverage (or bring your own)
- Time to explore the Museum's 3 floors of interactive exhibits
- Special music, science and art workshops
- *FETCH!*™ with *Ruff Ruffman* activities included
- Staff supervision provided at all times
- \$25 per day or \$60 for all three days. Register for 1, 2, or 3 days!
- Program runs from 12-3pm
- Space is limited...register early!

*workshops are designed for children in grades K-3
