Mock Trial Program Teacher-Sponsor(s) Agreement Form

I have received a copy of the CRF-OC California State Mock Trial case and rules. As a condition of participation in this year's Mock Trial program, I agree to discuss these rules with my team and to follow all rules and regulations as specified in the California State Mock Trial materials and as determined by CRF-OC for the Orange County Competition. I understand that the failure of any member or affiliate of my team to adhere to the rules may result in disqualification of the team.

I further understand that this signed Teacher-Sponsor(s) Agreement Form and a complete set of signed Student/Parent Agreement Forms, one for **each** student team member with a parent or guardian's signature as well as the student's, must be received by the CRF-OC office **before** the competition begins or the team may be disqualified. These forms are included in the Orientation Packet.

In addition, I have received this year's case packet. I understand my receipt of these materials obligates the school and/or school district to pay for these materials. Schools that have not yet paid in full for last year's competition must pay for the previous year and the current year in order to be eligible to participate.

YES NO

In the event of an odd number of Mock Trial teams, I have an adequate number of students to enter both sides (prosecution and defense) simultaneously and would consider doing so.
