

**Now your children can learn Italian  
the natural way.....  
by hearing it**

### **Sign up for Summer Camp**

We teach children Italian as they would learn it while growing up in Italy—by hearing it. They play games, listen to stories, do crafts, and sing songs. As they participate in these pleasant activities, the children develop vocabulary, improve conversation skills, and develop writing ability.

Activities will be held inside and outside, including strolls around Little Italy, visits to gelato and pizza places and more!

Camp will run with a minimum of 10 enrollments—act now to avoid disappointment.
