

ABC Afterschool 2009 Fall piano and cello lesson sign-up

Sarvenaz Moshfegh

Sarvi will teach individualized piano and cello lessons on Tuesdays and Thursdays during the afterschool year to Kindergarten – 5th grades. As a teacher, she has a personal approach, which assesses the learning style and strengths of each student as well as their personal interests. Learning an instrument should be fun as well as challenging! Trained in world-class institutions such as the New England Conservatory, Basel Conservatory of Music and Manhattan School of Music, Sarvi has performed internationally including Europe and South America.

Schedule: All lessons are a half hour in length and offered Tuesdays and Thursdays between 2:30 – 6:00PM during throughout the fall. Additional weekdays may be available, please see Jacy for details. The option to extend lessons into the spring will be available in November.

Location: All piano/cello lessons will be held in the music room at the Maria L. Baldwin Elementary School (ground level). Sarvi will accompany each child from their afterschool activity to the music room.

Cost: Piano or cello lessons are \$33 per lesson. Cello rental is available for an additional cost. You may sign up for a total of 13 weeks (\$429). Please turn in this form to 20 Sacramento Street with full payment to register.

Limited spaces: Piano and cello lessons will be confirmed and scheduled on a first come/first served basis.
