

The Corona Self-Help Center, Inc. Drogadictos Anonimos, A.C.

Dear Friend,

It is with great pleasure and delight that we invite you to our second annual “walk to prevent” drug addiction. Last year’s event was a huge success thanks to the participation of friends like you. Help us make this year’s event be even a bigger success. This event will help spread our message of hope and recovery to others who still suffers with the disease of drug addiction and inform the community that there is a place in where people can recover from this terrible disease with dignity, faith and hope.

- Help us by spreading the word. Tell your family, friends and everyone you know to get involved by helping spread the message and have them walk too! Help us raise money to give hope to those who still suffer.
- Walk with us in the spirit of unity. Sign up today! You are our strongest support. Participants may give a \$50 dollar suggested donation plus the amount they raise.

The Corona Self Help Center known as Drogadictos Anónimos, A.C. is a nonprofit organization that works to help those in need recover from the disease of addiction. Our mission is to reach all individuals with the need to recover from drug addiction, regardless of age, social status, sexual orientation or ethnicity. For that main reason we offer free services for those who need it and want it. Drug addiction happens to thousands upon millions of people a day. Do not let this addiction destroy your family or community!!!
