

About One Stop Senior Services

Founded in 1981, One Stop Senior Services is a unique walk-in agency where compassionate professionals go the extra mile to help older persons solve their problems--all in one place.

One Stop seeks to improve the quality of life of older New Yorkers, age 60 and above, and their families by providing services and access to rightful entitlements in one neighborhood location, which is inviting and respectful of cultural diversity.

An integral part of this mission is our central goal: to enable seniors to continue living safely, independently, and with dignity in their own homes for as long as possible.

About West Side Story at The Palace Theater

"More than fifty years ago, a show about New York City changed musical theatre forever. Now, it's coming home to make history once again.

This groundbreaking new production, directed by the legendary Mr. Laurents, will offer a bold new design that builds on the show's raw power and emotion to create a fresh experience unlike any that came before it. Don't miss this thrilling presentation of a matchless work of art."
