

Attention Educators!

A Facilitated Network Training Day for Educators;

School-to-Work Transition Best Practices

Presented in collaboration with the NWESD 189 and W.i.S.e. with funding from Washington State Division of Developmental Disabilities

With presentations by teachers from the Northwest Educational Service District 189 region and facilitated by Marsha Threlkeld of Washington Initiative for Supported Employment

Topics will include:

- Vocational and functional assessments
- Self determination and self management skills for getting to work
- Fostering independency; training our students, training our staff, partnering with families
- Relationships and social skills
